Product description

Fully on board with '50 Years 911 Turbo': the limited-edition key pouch from Porsche Classic is inspired by the famous tartan cloth seat pattern from the first 911 Turbo, which featured a narrow body and was given to Louise Piëch to mark her 70th birthday. High-quality red leather and a reduced 911 G crest give the key pouch a stylish finish. Your keys are kept safe and secure on the black key ring with Porsche (lettering) milling.

The key pouch is limited to 930 units.
