<b>Price:</b>	<b>769,25 €</b> <b>(nett:646,43 €)</b>

## Product description

This original Porsche 19-inch "Sport Design" wheel rim for the Porsche Boxster and Cayman models of the 987 series is an excellent option for lovers of quality and stylish design. The wheel rim measures 9.5J in width and has an offset (ET) of 46, which not only ensures a perfect fit but also improves the performance of your vehicle. The OEM number 99736215807 confirms the authenticity of this product and guarantees optimal compatibility with the above-mentioned models.

This used product is in very good condition, is undamaged and comes directly from Porsche's original parts. This ensures seamless integration into your vehicle and maintains the value of your car. The rim is suitable for both the left and right sides of the vehicle and has been specially designed for the rear axle.

The "Sport Design" of the rim not only enhances the aesthetic appearance of your Porsche, but also significantly improves driving dynamics. The combination of high quality, impressive design and the safety of using a Porsche original part makes this rim an excellent choice for enthusiasts who value authenticity and functionality.
