Product description

This high-quality 19-inch rim for the Porsche 911 model 997, specifically the Carrera S II model, impresses with its elegant design in high-gloss black. The rim measures 8J x 19 with an offset (ET) of 57, which ensures an optimal fit and excellent driving characteristics. The OEM number 99736215700041 guarantees that this is an original Porsche part, which was developed specifically for the 997 model. The rim is used, but is in very good condition and undamaged. This confirms the high quality and durability that you can expect from Porsche original parts. The technical designation is "high-gloss black", which gives the rim an extremely attractive appearance and ensures that it is both functional and aesthetically pleasing on your Porsche 911. The rim is designed for mounting on the front axle of the vehicle and can be used on both the left and right sides. This offers flexibility in installation and spare parts storage.

In summary, this Porsche 997 Carrera S II wheel is an excellent choice for vehicle owners who value authenticity and quality. It combines technical perfection with a stylish appearance that highlights the sporty nature of your Porsche 911.
