Product description

This set of 19-inch winter wheels for the Porsche Panamera model 976 is an excellent choice for drivers who do not want to compromise on performance and aesthetics, even in the cold season. The set includes four rims and tyres, specially selected for optimal fit and performance. The rims are 9J x 19 ET64 for the front axle and 10.5J x 19 ET62 for the rear axle, ensuring perfect balance and driving stability.

The wheels are fitted with high-quality Continental Winter Contact TS860 S winter tyres, which are renowned for their outstanding handling characteristics on snow and ice. The tyre sizes are 265/45 R19 for the front axle and 295/40 R19 for the rear axle, ensuring excellent traction and control in winter conditions.

The rims come in an elegant silver finish that is not only visually appealing but also enhances the overall appearance of your Porsche Panamera. This wheel set is new and unused, making it an ideal choice for those who value quality and originality. The OEM number for this set is 976044601A, which confirms its authenticity as an original Porsche part.

In summary, this 19-inch winter wheel set is an excellent investment for your Porsche Panamera, ensuring safety, performance and style during the winter months.
