Product description

This high-quality 19-inch wheel rim for the Porsche Panamera model 971, specifically the Panamera S model, impresses with its elegant design in high-gloss black. The wheel rim has a width of 10.5J and an offset (ET) of 62, which ensures an optimal fit and excellent driving stability. The technical designation is "971601025G 041", which confirms its authenticity as an original Porsche part. The rim is new, unused and undamaged, which underlines its quality and durability. It is suitable for both the left and right sides of the vehicle and is mounted on the rear axle. This product is ideal for drivers who value aesthetics and performance and want to give their Porsche Panamera a fresh and dynamic look. The combination of exclusive design and technical precision makes this wheel an excellent choice for all Porsche Panamera owners who are looking for original parts with high quality and a perfect fit.
