Product description

This set of 19" "Cayman S" winter wheels is specifically designed for the Porsche Boxster and Cayman models under the 981 series. The set includes wheels with dimensions of 8J x 19 ET57 for the front and 9.5J x 19 ET45 for the rear, ensuring a perfect fit and balanced aesthetics for these specific models. The wheels are equipped with brand new Continental WinterContact TS 830P tires, sized 235/40 R19 for the front and 265/40 R19 for the rear, offering exceptional traction and performance in winter conditions.

Each wheel is fitted with RDK sensors, enhancing the vehicle's ability to monitor tire pressure, which is crucial for maintaining optimal performance and safety in cold weather. The OEM number for this set is 98104460038, confirming its authenticity and compatibility with the designated Porsche models.

The condition of the wheels is listed as used; however, they are from Porsche Original Parts and are described as new or like-new with very low mileage and possibly minimal signs of use or storage. The tires are brand new with zero kilometers on them, ensuring top-notch quality and performance.

This winter wheel set not only enhances the safety and functionality of your Porsche during the colder months but also maintains the stylish appearance with its "Cayman S" designation, making it a perfect blend of form and function for the discerning Porsche owner.
