Product description

This set of summer wheels for the Porsche 911 model 992.1 is an excellent choice for drivers who value quality and performance. The set consists of Carrera Classic rims with dimensions 8.5J x 20 ET53 for the front axle and 11.5J x 21 ET67 for the rear axle. This size combination ensures an optimal fit and balanced handling. The wheels are fitted with brand new Goodyear summer tyres, which are 245/35 R20 on the front axle and 305/30 R21 on the rear axle. These tyres offer excellent grip and high mileage during the warmer months. The wheels are also equipped with TPMS (tyre pressure monitoring system) sensors, which constantly monitor the pressure and contribute to safety. The condition of the wheels is described as very good and undamaged, making them a reliable option for your Porsche. As original Porsche parts, they not only guarantee a perfect fit, but also compliance with the manufacturer's high quality standards.

The OEM number for this wheel set is 992044660K, which confirms its authenticity and specification for the Porsche 911 model 992. This high-quality wheel set is an excellent investment to enhance the aesthetics and performance of your vehicle.
