Product description

Enhance your Porsche Taycan's performance and aesthetics with the Porsche Taycan J1 20" Offroad Design Summer Wheel Set in sleek, high-gloss black. This set is specifically designed for the Porsche Taycan J1 model years 2020-2024, before the facelift. The package includes a combination of front and rear wheels, with dimensions tailored for a perfect fit: front wheels are 9J x 20 ET54 and rear wheels are 11J x 20 ET60.

This set is not just about looks; it comes equipped with high-quality Michelin summer tires, sizes 245/45 R20 for the front and 285/40 R20 for the rear, ensuring excellent road grip and performance during warmer months. The tires are mounted on stunningly crafted rims that feature an offroad design, making them a standout addition to your vehicle.

The product is brand new, unused, and undamaged, ensuring that you receive only the highest quality. It is an original Porsche part, with OEM number 9J1073650J Q01, guaranteeing compatibility and performance that meets the standards of your luxury vehicle.

Whether you're looking to upgrade your Taycan's performance or its street appeal, this 20" Offroad Design Summer Wheel Set is an exceptional choice that combines quality, style, and the prestigious Porsche branding.
