Product description

This set of 20-inch Sport Classic summer wheels for the Porsche Panamera G1/970.2 is the perfect choice for drivers who value style and performance. The wheels impress with their GT Silver Metallic paint finish and are fitted with high-quality summer tyres. The rim size is 9.5J x 20 ET65 at the front and 11.5J x 20 ET63 at the rear, ensuring an optimal fit and excellent driving performance. The fitted summer tyres have dimensions of 255/40 ZR20 for the front axle and 295/35 ZR20 for the rear axle, ensuring excellent grip and precise handling.

Another highlight of this wheel set is the integrated TPMS (tyre pressure monitoring system), which constantly monitors the air pressure for added safety and efficiency. The OEM number for this special wheel set is 97004460266.

Although these wheels are marked as used, they are original Porsche parts that are new or as good as new. The rims have low mileage and may show minimal signs of use or storage. The tyres are brand new (0 km mileage), making them an excellent choice for Porsche Panamera drivers who do not want to compromise on quality and performance.
