**Price:** **3.415,72 €**  
**(nett:2.870,35 €)**

## Product description

This set of 20" SportTechno summer wheels is specially designed for the Porsche 911 model 991.1 C2/C2S and offers an outstanding combination of style and performance. The rims measure 9J x 20 ET51 for the front axle and 11.5J x 20 ET68 for the rear axle, ensuring an optimal fit and excellent driving stability.

The wheels are fitted with brand new Pirelli P Zero summer tyres, renowned for their outstanding road grip and performance. The tyre sizes are 245/35 R20 on the front axle and 305/30 R20 on the rear axle, ensuring excellent traction and precise steering response.

In addition, the wheels are equipped with TPMS sensors (433MHz) that monitor tyre pressure, providing an extra level of safety. These sensors are particularly useful for maintaining optimal tyre pressure, which not only increases safety but also extends the life of the tyres.

The rims and tyres are new or as good as new, with low mileage and possibly minimal signs of use or storage. The tyres are factory new (0 km mileage), giving you the assurance that there are no hidden defects or premature wear.

The OEM numbers for these wheels are 99104460260 and 99104460210, confirming their authenticity and compatibility with the Porsche 911 model 991.1 C2/C2S. This set is an excellent choice for drivers looking to both enhance the aesthetics of their vehicle and improve driving performance.

## Technical specifications

Front rims:	Article number: 99136216240M7Z
	Quantity: 2
	Rim width: 9J
	Rim diameter (inch):
	Offset (ET):
