Price:	4.098,86 € (nett:3.444,42 €)

Product description

This set of 20" SportTechno summer wheels is specially designed for the Porsche 911 model 991.1 Carrera and Carrera S. The wheels consist of two different rim sizes: 9J x 20 ET51 for the front axle and 11.5J x 20 ET68 for the rear axle, ensuring an optimal fit and excellent driving performance. The rims are fitted with high-quality Pirelli P-Zero summer tyres, which come in size 245/35 R20 at the front and 305/30 R20 at the rear. This tyre combination offers excellent grip and stability at high speeds and improves handling on dry roads.

In addition, the wheels are equipped with TPMS (tyre pressure monitoring system) sensors, which constantly monitor the pressure in each tyre for added safety and efficiency. The OEM numbers for these wheels are 99104460260 and 99104460210, confirming their authenticity and compliance with Porsche's high quality standards.

These wheels are new and unused, meaning they are free from damage and in perfect condition. As genuine Porsche parts, they not only guarantee a perfect fit, but also maintain the vehicle's warranty and value. Ideal for drivers who want to enhance the performance and appearance of their vehicle with genuine Porsche components.

Technical specifications

Front rims:	Article number: 99136216240M7Z
	Quantity: 2
	Rim width: 9J
	Rim diameter (inch): 20"
	Offset (ET): 51
Rear rims:	Article number: 99136216740M7Z
	Quantity: 2
	Rim width: 11,5J
	Rim diameter (inch): 20"
	Offset (ET): 68
TPMS sensors:	Yes
