### Product description

Enhance the performance and aesthetics of your Porsche Taycan J1 II (Facelift, from 2024) with this exclusive set of 20" Taycan Tequipment Design summer wheels. This set includes two front wheels sized 9J x 20 ET54 and two rear wheels sized 11J x 20 ET60, perfectly tailored to maintain the dynamic handling and visual appeal of your Porsche. The wheels are paired with premium Michelin summer tires, sizes 245/45 R20 for the front and 285/40 R20 for the rear, offering excellent road grip and a smooth ride during warmer conditions.

Each wheel is equipped with RDK sensors to ensure continuous monitoring of tire pressure, enhancing both safety and vehicle efficiency. The OEM number for this set is 9J1073663GG, confirming its authenticity as a genuine Porsche Original part. This brand-new, unused, and undamaged item is specifically designed to fit the Porsche Taycan model, ensuring perfect compatibility and performance.

Opt for this set of Taycan Tequipment Design summer wheels to not only elevate the look of your Porsche Taycan but also to enjoy superior driving comfort and safety during the summer months.
