**Price:** **4.203,96 €**  
**(nett:3.532,74 €)**

## Product description

This set of 20" Turbo Aero summer wheels is specifically designed for the Porsche Taycan J1 II (Facelift model starting from 2024). It includes high-performance rims and brand-new Michelin summer tires, ensuring optimal performance and aesthetics for your vehicle. The set comprises front rims sized at 9J x 20 ET54 and rear rims at 11J x 20 ET60, perfectly complementing the dynamic styling of the Taycan.

The tires included are Michelin, known for their excellent road grip and durability. The front tires are sized 245/45 R20, while the rear tires are 285/40 R20, offering a balanced and responsive driving experience. This setup not only enhances the sporty look of your Porsche but also provides a significant upgrade in terms of handling and road performance.

Each wheel is equipped with RDK sensors for monitoring tire pressure, which is crucial for maintaining tire health and vehicle safety. The OEM number for these wheels is 9J1073663CC, ensuring they are genuine Porsche parts that meet the strict quality standards of the brand.

Condition-wise, these wheels are listed as used but are in a near-new condition with very low mileage and possibly minimal signs of wear or storage marks. The tires are brand new with 0 km, indicating they have not been used on the road.

This wheel set is an excellent choice for Porsche Taycan owners looking to enhance their vehicle's performance and aesthetic appeal with genuine parts tailored to fit their car perfectly.
