Available:	shipping in 2-3 weeks
<b>Price:</b>	<b>3.955,21 €</b> <b>(nett:3.323,71 €)</b>

## Product description

This set of 20-inch Carrera S III summer wheels is specially designed for the Porsche 911 model 991.1 C4/C4S (all-wheel drive, pre-facelift, built between 2012 and 2015). The rims measure 8.5J x 20 ET51 for the front axle and 11J x 20 ET52 for the rear axle, ensuring an optimal fit and excellent driving stability.

The wheels are fitted with brand new Pirelli summer tyres, with dimensions of 245/35 ZR20 for the front axle and 305/30 ZR20 for the rear axle. These high-performance tyres offer excellent grip and handling on both dry and wet roads, making them ideal for sporty driving.

In addition, the wheels are equipped with TPMS (tyre pressure monitoring system) sensors, which constantly monitor air pressure and contribute to safety by informing the driver of any changes. The platinum silk matt finish of the rims not only gives the wheels an aesthetically pleasing appearance, but also offers protection against corrosion and wear.

The rims and tyres are classified as new, which means they have very low mileage and may show minimal signs of use or storage. The tyres are factory new (0 km mileage), giving you the assurance that you are driving with a product of the highest quality and performance.

The OEM number for this wheel set is 99104460276, which confirms its authenticity and specific fit for the specified Porsche model. This high-quality wheel set is an excellent choice for drivers who want to enhance the performance and appearance of their Porsche 911 991.1 C4/C4S.

## Technical specifications

Front rims:	Article number: 99136216104OB5 Quantity: 2 Rim width: 8,5J Rim diameter (inch): Offset (ET):
