Discount: **35%**

Available: **ready for shipping**

Price: **3.364,73 €**
(nett:2.827,50 €)

Product description

This set of 20-inch Cayenne Design winter wheels for the Porsche Cayenne E3/9Y0 I (pre-facelift, 2018-2023) is an excellent choice for drivers who value performance and safety in the cold season. The combination of high-quality rims and first-class Pirelli winter tyres guarantees optimum handling on winter roads.

The rims in this set measure 9J x 20 ET50 for the front axle and 10.5J x 20 ET64 for the rear axle. These dimensions ensure balanced weight distribution and improve the handling of your vehicle in winter conditions. The Pirelli winter tyres fitted to the wheels, in sizes 275/45 R20 at the front and 305/40 R20 at the rear, offer excellent grip and high aquaplaning safety.

Another highlight of this wheel set is the integrated TPMS (tyre pressure monitoring system) sensors, which constantly monitor the pressure in the tyres and thus provide an additional level of safety.

Please note that this wheel set is not suitable for the Porsche Cayenne Coupé. The OEM numbers for these specific parts are 9Y0044617B, 9Y0044612B and 9Y0044602B.

The rims are in mint condition with very low mileage and possibly minimal signs of use or storage. The tyres are brand new (0 km mileage), giving you the assurance that you are getting a product of the highest quality and performance.

This winter wheel set is original Porsche equipment, specially developed for the Porsche Cayenne model 9Y0, and offers a perfect fit and the quality you expect from Porsche. Ideal for Porsche drivers who don't want to compromise on style and functionality, even in winter.

Technical specifications

Front rims:	Article number: 9Y0601025CT88Z
	Quantity: 2
	Rim width: 9J
	Rim diameter (inch): 20"
	Offset (ET): 50
Rear rims:	Article number: 9Y0601025DA88Z
	Quantity: 2
	Rim width: 10,5J
	Rim diameter (inch): 20"
	Offset (ET): 64
