<b>Price:</b>	<b>4.524,98 €</b> <b>(nett:3.802,50 €)</b>

## Product description

This set of 20" Sport Classic summer wheels for the Porsche Cayenne E3/9Y0 I (2018-2023), excluding the Cayenne Coupé, combines stylish aesthetics with high functionality. The rims in sizes 9J x 20 ET50 and 10.5J x 20 ET64 feature an attractive platinum silk matt finish that not only looks impressive but also offers high resistance to environmental influences.

Equipped with high-quality Pirelli summer tyres in sizes 275/45 R20 for the front axle and 305/40 R20 for the rear axle, this wheel set offers optimum performance and safety on both dry and wet road conditions. The tyres are specially designed to ensure excellent grip and stability at high speeds.

Another feature of this wheel set is the integrated TPMS (tyre pressure monitoring system) sensors, which constantly monitor the pressure in the tyres and thus contribute to driving safety by informing the driver of any pressure loss at an early stage.

The original part numbers for this wheel set are 9Y0044661E and 9Y0044660E, which confirm the authenticity and quality of the parts as Porsche original parts. This new, unused and undamaged item meets the highest quality standards set by Porsche.

In summary, the 20" Cayenne Sport Classic summer wheel set is an excellent choice for drivers who value quality, safety and an attractive appearance. Ideal for anyone who wants to equip their vehicle with a high-quality wheel set that offers reliable performance both in the city and on long journeys.
