Available:	shipping in 3-7 days* *provided the product is available at the manufacturer
Price:	4.392,00 € (nett: 3.690,76 €)

Product description

This set of 20-inch "Cayenne Sport" winter wheels is specially designed for the Porsche Cayenne E3/9Y0 II facelift from model year 2024 onwards and has the OEM number 9Y0044603A. These high-quality wheels are not compatible with the Cayenne Coupé.

The rims in the set measure 9J x 20 ET50 for the front axle and 10.5J x 20 ET64 for the rear axle, ensuring an optimal fit and performance. The combination with Hankook winter tyres in sizes 255/55 R20 at the front and 295/45 R20 at the rear offers excellent traction and safety in winter weather conditions. In addition, the wheels are equipped with TPMS sensors that continuously monitor tyre pressure, ensuring increased driving safety. The wheels are new, unused and undamaged, making them the ideal choice for drivers who do not want to compromise on quality and safety. As original Porsche parts, these winter wheels guarantee perfect compatibility and performance, specially tailored to your Porsche Cayenne. They not only offer outstanding functionality, but also enhance the appearance of your vehicle during the winter months.

Technical specifications

Front rims:	Article number: 9Y0601025DH88Z Quantity: 2 Rim width: 9J Rim diameter (inch): Offset (ET):
