Price: **3.873,45 €**
(nett:3.255,00 €)

Product description

Enhance your Porsche Cayenne E3/9Y0 I (model years 2018-2023, excluding the Cayenne Coupé) with this set of 20" "Cayenne Sport" winter wheels, meticulously designed to offer superior performance in cold weather conditions. This set includes two front wheels sized at 9J x 20 ET50 and two rear wheels at 10.5J x 20 ET64, perfectly balanced for your vehicle's specifications.

The wheels are equipped with brand new Michelin winter tires, with dimensions of 275/45 R20 for the front and 305/40 R20 for the rear, ensuring optimal grip and safety during the winter months. These tires are renowned for their exceptional performance in snowy and icy conditions, providing you with peace of mind when driving in adverse weather.

Additionally, this set comes with Tire Pressure Monitoring System (TPMS) sensors installed, enhancing your ability to monitor tire pressure, which is crucial for maintaining tire health and vehicle safety.

The OEM numbers for these wheels are 9Y0044610C and 9Y0044600C, confirming their authenticity and compatibility with the specified Porsche models. Although these wheels are used, they are in near-new condition with very low mileage and minimal signs of wear or storage marks. The tires are brand new with zero kilometers on them, ensuring you receive top-quality, reliable components.

This wheel set is an excellent choice for Porsche Cayenne owners looking to equip their vehicle with reliable, stylish, and performance-oriented winter wheels directly from Porsche Original Parts.

Technical specifications
