Product description

Upgrade your Porsche Cayenne E3/9Y0 I (model years 2018-2023, excluding the Cayenne Coupé) for the winter season with this set of 20" Cayenne Sport winter wheels. This set includes rims sized 9J x 20 ET50 and 10.5J x 20 ET64, perfectly matched with brand new Pirelli winter tires, sizes 275/45 R20 and 305/40 R20, ensuring optimal grip and performance in cold weather conditions.

The wheels come equipped with Tire Pressure Monitoring System (TPMS) sensors, enhancing your safety by providing real-time tire pressure information. The rims are in near-new condition, showing minimal signs of wear or storage marks, indicative of their low mileage usage. The tires are brand new, having never touched the road, which guarantees maximum tread life and performance.

This set is specifically designed for the Porsche Cayenne E3/9Y0 I, ensuring perfect fitment and compatibility. The OEM numbers for these wheels are 9Y0044612C and 9Y0044602C, confirming their authenticity as original Porsche parts.

Whether navigating snowy streets or tackling frosty highways, this wheel set not only enhances your vehicle's safety and performance but also its aesthetic appeal during the winter months.
