Product description

Enhance your Porsche Macan Electric Model 95C's winter driving capabilities with this exclusive set of 20" Macan winter wheels. This set includes high-gloss black rims sized at 7.5J x 20 ET32 for the front and 10J x 20 ET49 for the rear, perfectly complemented by premium Goodyear winter tires measuring 235/55 R20 in the front and 285/45 R20 in the rear. These dimensions ensure a balanced and secure grip on icy or snowy roads, enhancing both safety and performance during the colder months.

Each wheel is equipped with TPMS (Tire Pressure Monitoring System) sensors, which provide real-time tire pressure information, further ensuring your driving safety by alerting you to any pressure changes that could potentially affect your vehicle's handling and efficiency.

The set, identified by OEM number 95C044600A, is designed specifically for the Porsche Macan model 95C, guaranteeing a perfect fit and seamless compatibility with your vehicle's specifications. This product is brand new, ensuring it is free from any damage or wear, and comes as an original Porsche part, maintaining the high standards and quality associated with the brand.

Whether you're tackling snowy streets or icy highways, this set of 20" Macan winter wheels offers both aesthetic appeal and functional excellence, making it an essential upgrade for your Porsche during the winter season.
