Available:	availability on request
Price:	4.440,44 € (nett:3.731,46 €)

Product description

This set of 20" SportTechno summer wheels is specially designed for the Porsche 911 model 991.1 Carrera and Carrera S (rear-wheel drive, pre-facelift). The wheels consist of high-gloss black rims in sizes 9J x 20 ET51 and 11.5J x 20 ET68, which are not only visually appealing but also robust and durable. They are fitted with Pirelli P Zero summer tyres in sizes 245/35 R20 for the front axle and 305/30 R20 for the rear axle, which ensure excellent driving characteristics and optimum road grip.

In addition, the wheels are equipped with TPMS (tyre pressure monitoring system) sensors, which constantly monitor the pressure in the tyres, ensuring increased safety and improved driving dynamics. This set is ideal for drivers who value performance and safety and want to enhance the aesthetic appearance of their vehicle at the same time.

The OEM number for this wheel set is 99104460260041, which confirms its authenticity and quality as a genuine Porsche part. The wheels are new, meaning they are unused, undamaged and in perfect condition.

This wheel set is an excellent choice for Porsche 911 drivers who want to optimally equip their vehicle for the summer months. It combines technical perfection with stylish design to get the most out of your Porsche.

Technical specifications
