Product description

This set of 20" SportTechno summer wheels for the Porsche 911 model 991.1 Carrera and Carrera S combines outstanding performance with a stylish appearance. The rims, in sizes 9J x 20 ET51 and 11.5J x 20 ET68, feature an attractive high-gloss black finish that gives your vehicle an elegant and sporty touch.

The wheels are fitted with high-quality Pirelli P Zero summer tyres, which are renowned for their excellent road grip and performance. The tyre sizes 245/35 R20 on the front axle and 305/30 R20 on the rear axle offer an optimal balance between comfort and handling, which is particularly advantageous on dry summer roads.

Please note that this wheel set is supplied without TPMS sensors (tyre pressure monitoring system sensors). You should take this into account if your vehicle is equipped with such a system. The item is new, unused and undamaged, making it an excellent choice for anyone looking for original parts for their Porsche 911. The OEM number for this wheel set is 99104460259041, which confirms the authenticity and quality of the product. This wheel set is not only a functional addition to your vehicle, but also a visual enhancement that emphasises the sporty lines of your Porsche 911 model 991.1 Carrera or Carrera S.
