Product description

This set of 20" Tequipment Design summer wheels for the Porsche Taycan J1 (built between 2019 and 2024) combines outstanding performance with a stylish appearance. The wheels are finished in an elegant platinum silver and measure 9J x 20 ET54 for the front axle and 11J x 20 ET60 for the rear axle. They are fitted with high-quality Michelin summer tyres in sizes 245/45 R20 at the front and 285/40 R20 at the rear, which ensure optimum grip and driving comfort during the warmer months.

The rims are not only visually appealing, but also technically tailored to the specific requirements of the Porsche Taycan, guaranteeing a seamless fit and performance. In addition, the wheels are equipped with TPMS (tyre pressure monitoring system) sensors that constantly monitor the condition of your tyres, ensuring additional safety and efficiency.

The part number for this set is 9J1073650G, and they are marked as Porsche Genuine Parts, which means they meet Porsche's strict quality standards and are the perfect addition to your Taycan. The item is new, which means you will receive an unused, undamaged product that is ready for immediate use.

This wheel set is an excellent choice for Taycan owners who value quality, safety and a visual upgrade for their vehicle.
