## Product description

This set of 20" Turbo Aero Design summer wheels for the Porsche Taycan J1 (2019-2024) combines outstanding performance with a stylish appearance. The rims, in sizes 9J x 20 ET54 for the front axle and 11J x 20 ET60 for the rear axle, are finished in an attractive high-gloss black, giving your vehicle a particularly elegant touch.

The wheels are fitted with high-quality Michelin summer tyres, sizes 245/45 R20 on the front axle and 285/40 R20 on the rear axle, offering an optimal balance between grip and driving comfort. This tyre combination has been specially developed for the performance characteristics of the Porsche Taycan to ensure excellent performance in both dry and wet conditions.

In addition, the wheels are equipped with TPMS (tyre pressure monitoring system) sensors that constantly monitor the pressure in the tyres, ensuring increased driving safety. The item is new, unused and undamaged, making it an ideal choice for anyone who values quality and original parts. The OEM number for this set is 9J1073650D, which confirms its authenticity and specific fit for the Porsche Taycan. With this set of summer wheels, you not only give your Porsche Taycan a sportier look, but also benefit from improved driving dynamics and safety. Ideal for anyone who doesn't want to compromise during the warmer months.

## Technical specifications
