Product description

This set of original Porsche Cayenne E2/958 20" winter wheels, named "Cayenne SportDesign II," is a perfect choice for drivers looking to enhance their vehicle's performance and safety during the colder months. The set includes four 9J x 20 ET57 rims paired with high-quality Dunlop winter tires, size 275/45 R20, ensuring excellent traction and control on snowy or icy roads.

Each wheel is equipped with RDK sensors for tire pressure monitoring, providing an added layer of safety by ensuring that all tires maintain optimal pressure for winter driving conditions. The OEM number for these wheels is 95804460068, confirming their authenticity and compatibility specifically with Porsche Cayenne models from the 958 series, produced between 2010 and 2017.

Condition-wise, these wheels are used but in very good condition, showing no signs of damage. They are genuine Porsche original parts, ensuring that they meet the strict quality standards set by Porsche and provide a seamless fit and performance.

Ideal for Porsche enthusiasts who demand the best for their vehicle, this wheel set not only offers practical benefits but also enhances the aesthetic appeal of your Cayenne with its stylish "Cayenne SportDesign II" design. Whether navigating through tough winter weather or simply looking to maintain a sporty look during the colder seasons, this wheel set is an excellent investment for any discerning Porsche owner.
