Discount:	35%
Available:	ready for shipping
Price:	3.453,67 € (nett:2.902,24 €)

Product description

This set of 20-inch "Cayenne SportDesign II" winter wheels is specially designed for the Porsche Cayenne model 958 (built between 2010 and 2017). The rims measure 9J x 20 ET57 and are fitted with brand new Dunlop winter tyres in size 275/45 R20, which ensure optimum traction and safety in winter conditions. Please note that these wheels are supplied without TPMS sensors (tyre pressure monitoring system sensors).

The rims are marked as original Porsche parts and, despite their used condition, are in mint condition. They have very low mileage and may show only minimal signs of use or storage. The tyres are brand new (0 km mileage), which means you are getting a product of the highest quality and performance.

The OEM numbers for these wheels are 95804460067, 95804460047 and 95804460007. These numbers confirm the authenticity and specific fit for the Porsche Cayenne model 958, allowing for easy and hassle-free installation.

This wheel set is an excellent choice for drivers who value safety and performance while wanting to maintain the aesthetic design of their Porsche Cayenne during the winter months.

Technical specifications

Article number: 958362140219A1
