Product description

This set of 20" "Exclusive Design" winter wheels for the Porsche Panamera G1/971 is an exceptional choice for drivers seeking premium performance and style during the colder months. The set includes two sizes of rims: front rims measuring 9.5J x 20 ET71 and rear rims measuring 10.5J x 20 ET71, both finished in a sophisticated Platinum silk gloss. These dimensions ensure a perfect fit and a striking look on your Porsche Panamera.

Equipped with brand new Michelin Pilot Alpin 4 winter tires, sizes 275/40 R20 for the front and 315/35 R20 for the rear, these wheels offer superior traction and control in winter conditions. The Michelin Pilot Alpin 4 is renowned for its excellent handling and braking performance on both snow and ice, providing safety and reliability when you need it most.

The rims and tires are in a nearly new condition, showing minimal signs of wear or storage marks, which underscores their quality and durability. The OEM number for this set is 971044600D, confirming their authenticity as original Porsche parts specifically designed for the Porsche Panamera model 971.

Whether you're navigating snowy city streets or icy rural roads, this winter wheel set combines elegant design with robust functionality, making it an ideal upgrade for your Porsche Panamera during the winter season.
