**Price:** **4.232,00 €**  
**(nett: 3.556,30 €)**

## Product description

This set of 20-inch Carrera S III summer wheels is specially designed for the Porsche 911 model 991.1 C4/C4S and offers an outstanding combination of style and performance. The rims measure 8.5J x 20 ET51 for the front axle and 11J x 20 ET52 for the rear axle, ensuring an optimal fit and excellent driving characteristics.

The wheels are fitted with brand new Pirelli P Zero summer tyres, renowned for their outstanding performance on dry and wet roads. The tyre sizes are 245/35 ZR20 for the front axle and 305/30 ZR20 for the rear axle, ensuring excellent grip and stability at high speeds.

An additional feature of these wheels is the integrated TPMS (tyre pressure monitoring system) sensors, which constantly monitor the pressure in the tyres, providing additional safety and efficiency. The rims feature a high-gloss black finish, which is not only aesthetically pleasing but also provides a robust surface that protects against environmental influences.

The OEM numbers for these wheels are 99104460274 and 99104460224, confirming their authenticity as genuine Porsche parts. Despite being labelled "used", the rims are in mint condition with low mileage and minimal signs of use or storage, while the tyres are brand new.

This wheel set is an excellent choice for drivers who want to enhance the performance and appearance of their Porsche 911 991.1 C4/C4S without compromising on quality and originality.
