Product description

These 21-inch exclusive design sport summer wheels for the Porsche Macan II/III (built between 2019 and 2025) combine outstanding aesthetics with high functionality. The set includes rims in sizes 9.5J x 21 ET27 and 10J x 21 ET19, finished in an elegant platinum silver. The high-quality Michelin summer tyres in sizes 265/40 R21 and 295/35 R21 offer optimum grip and excellent performance on both dry and wet roads.

In addition, the wheels are equipped with TPMS sensors (tyre pressure monitoring system), which constantly monitor the pressure in the tyres and contribute to safety. This wheel set is not only a visual highlight, but also state-of-the-art in terms of technology, maximising the driving dynamics and safety of your Porsche Macan. The rims and tyres are new, unused and undamaged. As Porsche genuine parts, they guarantee the highest quality and a perfect fit. The OEM number for this set is 95B044668K, which confirms its authenticity and specific suitability for Porsche Macan models > model 95B (14-24). This exclusive wheel set is an excellent choice for drivers who value performance, safety and striking design.
