Product description

This set of 21" 911 Turbo Design Summer Wheels is a perfect choice for Porsche Panamera model 976, enhancing both the aesthetics and performance of your vehicle. The set includes two sizes of rims: front rims measuring 9.5J x 21 ET71 and rear rims measuring 11.5J x 21 ET69, designed to provide a balanced and aggressive stance. These rims are paired with high-performance Michelin Pilot Sport S5 summer tires, with dimensions 275/35 R21 for the front and 325/30 R21 for the rear, offering excellent grip and handling characteristics during warmer conditions.

Each wheel is equipped with RDK sensors for monitoring tire pressure, ensuring both safety and maintenance convenience. The OEM number for this set is 976044660K, confirming its authenticity as a genuine Porsche original part. This brand new, unused, and undamaged item comes directly from Porsche, guaranteeing quality and compatibility with the specified vehicle models.

Ideal for drivers seeking to upgrade their vehicle's performance and exterior appeal, this wheel set not only enhances your car's look with the iconic 911 Turbo design but also promises an exhilarating driving experience with top-tier tires and precise wheel engineering.
