Product description

The Porsche Cayenne E1 955/957 SportPlus 21-inch summer wheel set is the ideal choice for Porsche Cayenne owners. The set includes 10J x 21 ET50 and 10J x 21 ET45 rims, which feature an attractive high-gloss black finish, adding elegance to any vehicle. The set is complemented by new, factory-fitted Michelin summer tyres in size 295/35 R21, which provide excellent grip and performance on the road.

The rims are in almost new condition, with low mileage and may show minimal signs of use or storage, which is typical for used parts. The tyres are completely new, ensuring maximum performance and safety.

The OEM number for this set is 95504460227, which confirms the authenticity and high quality of the product, in line with Porsche standards. The SportPlus wheel set is not only functional but also aesthetically suited to the sporty character of Porsche Cayenne vehicles, making it an excellent choice for enthusiasts of the brand and its heritage.

Technical specifications
