Product description

This set of 21-inch Cayenne Turbo Design summer wheels is specially designed for the Porsche Cayenne E3/9Y0 I, model years 2018 to 2023. The wheels are not suitable for other Cayenne models. The set includes two rims in size 9.5J x 21 ET46 and two rims in size 11.0J x 21 ET58, all in an attractive platinum silk gloss finish.

The wheels are fitted with brand new Pirelli P Zero summer tyres, with 285/40 R21 tyres at the front and 315/35 R21 tyres at the rear, guaranteeing optimum performance and grip during the summer months. The wheels are also equipped with TPMS (tyre pressure monitoring system) sensors, which constantly monitor the pressure in the tyres for added safety and efficiency.

The OEM numbers for these specific wheels are 9Y0044661G and 9Y0044660G. These original Porsche parts are used but are in very good condition and undamaged. This is an excellent opportunity to enhance the aesthetics and performance of your Porsche Cayenne without compromising on quality or fit.
