Product description

This set of 21" turbo summer wheels for the Porsche Cayenne Coupé E3/9Y0 I (pre-facelift, built between 2019 and 2023) combines high-quality rims with premium Pirelli P Zero summer tyres for optimum performance and safety during the warmer months. The rims measure 9.5J x 21 ET46 for the front axle and 11.0J x 21 ET49 for the rear axle, guaranteeing a perfect fit and excellent driving stability.

The tyres are specially designed for high speeds and sporty driving. With dimensions of 285/40 R21 at the front and 315/35 R21 at the rear, they offer excellent grip and precise steering response. The wheels are also equipped with TPMS sensors that continuously monitor tyre pressure and contribute to vehicle safety.

The OEM number for these wheels is 9Y0044640F, which confirms their authenticity as Porsche genuine parts. They are new, unused and undamaged, making them an excellent choice for Porsche Cayenne owners who do not want to compromise on quality and performance. This wheel set is not only functional but also aesthetically pleasing, emphasising the sporty appearance of your vehicle.
