Discount:	60%
Available:	ready for shipping
Price:	5.198,41 € (nett:4.368,41 €)

Product description

This high-quality 21-inch GT3 magnesium wheel in silk matt black is specially designed for the Porsche 911 model 992. The wheel has a width of 12J and an offset (ET) of 45, ensuring an optimal fit and excellent driving characteristics. The use of magnesium as a material makes the rim not only exceptionally light, but also extremely stable, which improves the driving dynamics and handling of the vehicle.

The rim is equipped with a central locking system that allows for quick mounting and dismounting, ideal for racing applications or quick tyre changes. The silk matt black finish gives your Porsche 911 992 a stylish and elegant look, while also being robust and resistant to environmental influences.

The rim is used but in very good condition and undamaged. It is an original Porsche part, which guarantees high quality and a perfect fit. The OEM number for this specific part is 9GT601025BFJE1.

Additional information: - Feature code: JE1 - Position: Rear wheel (left = right) - Material: Magnesium - Colour: Black satin matt. This rim is an excellent choice for drivers who want to improve the performance and appearance of their Porsche 911 992 without compromising on the quality or authenticity of the vehicle parts.
