### Product description

This Porsche Panamera G3/976 21" Exclusive Design Winter Wheel Set, with the OEM number 976044600H, is an essential upgrade for your vehicle during the winter months. Designed specifically for the Porsche Panamera model 976, this set includes both front and rear wheels with dimensions of 9.5J x 21 ET71 and 10.5J x 21 ET71 respectively, ensuring a perfect fit and impeccable balance on your vehicle. The wheels are crafted in an exclusive design and finished in a sophisticated Platinum Silver, enhancing the aesthetic appeal of your Panamera while maintaining the high standards of Porsche engineering. The set is equipped with Continental Winter Contact TS860 S tires, sized 275/35 R21 for the front and 315/30 R21 for the rear. These tires are renowned for their exceptional performance in winter conditions, offering superior grip and handling on icy or snowy roads.

As a genuine Porsche product, this wheel set guarantees compatibility and the highest quality, ensuring that it not only meets but exceeds the rigorous standards set by Porsche. The condition of this product is brand new, ensuring that you receive an unblemished and undamaged item that maintains the integrity and performance of your vehicle.

This wheel set not only enhances the safety features of your Panamera during adverse weather conditions but also elevates its visual appeal, making it a perfect blend of functionality and style for the discerning Porsche owner.
