## Product description

These 21" SportDesign summer wheels for the Porsche Panamera model 971 are an excellent choice for drivers who want to enhance both style and performance. The set consists of two 9.5J x 21 ET71 rims and two 11.5J x 21 ET69 rims. These dimensions ensure an optimal fit and excellent driving stability.

The wheels are fitted with high-quality Pirelli summer tyres, which are renowned for their outstanding performance and durability. The front tyres are 275/35 ZR21, while the rear tyres are 315/30 ZR21, which provides improved traction and handling.

An additional feature of these wheels are the TPMS sensors, which monitor tyre pressure for increased safety and efficiency. It is important to note that these wheels are not suitable for the Panamera Turbo S and 4S E-Hybrid.

The rims and tyres are new or like new, with very low mileage and possibly minimal signs of use or storage. The tyres are factory new (0 km mileage), giving you the assurance that you are getting a product of the highest quality.

The OEM number for these wheels is 971044660E, confirming their authenticity and compatibility with the Porsche Panamera model 971. This set is an excellent choice for anyone looking to enhance the aesthetics and performance of their vehicle without compromising on quality and safety.
