<b>Price:</b>	<b>10.739,75 €</b> <b>(nett:9.025,00 €)</b>

## Product description

This set of 21" Porsche Panamera Turbo S winter wheels with OEM number 976044600M is specially designed for the Porsche Panamera G3/976 model. The wheels feature a central locking system, which allows for quick and secure mounting, ideal for quick changes in winter conditions.

The rims are sized 9.5J x 21 ET71 and 10.5J x 21 ET71, ensuring an optimal fit and excellent driving stability. The high-gloss black finish gives the rims an aesthetically pleasing and robust appearance that is both stylish and functional.

The wheels are fitted with Continental Winter Contact TS860 S winter tyres in sizes 275/35 R21 for the front axle and 315/30 R21 for the rear axle. These tyres offer excellent traction and performance on winter roads thanks to their special rubber compound and advanced tread design, which has been developed for maximum safety and control in cold and wet conditions.

As new and in its original packaging, this item is guaranteed to be unused, undamaged and in perfect condition. This product is an original Porsche part, which means it has been manufactured to the brand's highest standards and is guaranteed to be perfectly compatible with your Porsche Panamera model 976.

In summary, this set of winter wheels is an excellent choice for drivers who value safety, quality and performance, especially in the winter months. With these wheels, your vehicle is optimally prepared for cold and snowy conditions without compromising on style and elegance.
