Product description

Enhance your Porsche Macan I (Model 95B, 2014-2018) with this set of 21" "Sport Classic" summer wheels, meticulously designed to elevate both the aesthetics and performance of your vehicle. This set includes two front wheels sized at 9J x 21 ET26 and two rear wheels at 10J x 21 ET19, perfectly engineered to ensure a seamless fit and optimal handling.

Each wheel is finished in a sophisticated Platinum Matte, adding a touch of elegance to your Porsche. The wheels are paired with brand new Pirelli summer tires, sizes 265/40 R 21 for the front and 295/35 R 21 for the rear, offering exceptional grip and responsiveness in warmer weather conditions. These tires are factory-fresh, ensuring zero wear and optimal performance right from the start.

The set also includes RDK sensors for tire pressure monitoring, enhancing safety and maintenance convenience by providing real-time tire pressure information.

OEM numbers for these wheels are 95B04460226 and 95B04460216, confirming their authenticity and compatibility with the Porsche Macan I models from 2014 to 2018. The wheels and tires are in a used condition but are described as new or like-new, with the rims showing minimal signs of wear or storage marks, ensuring they meet the high standards expected from Porsche Original Parts.

This wheel set not only enhances the visual appeal of your Porsche Macan but also promises an upgraded driving experience with improved traction and stability. Perfect for Porsche enthusiasts looking to maintain the prestige and performance of their vehicle with genuine, high-quality parts.
