Product description

The 21-inch "GT Design" wheel for the Porsche Macan, model 95B (years 2014-2024), is an exceptional choice for vehicle owners looking to enhance both style and performance. This wheel, technically described as "schwarz hochglanz" or high-gloss black, offers a striking appearance that elevates the aesthetics of your vehicle. With a width of 9.5J and an offset (ET) of 27, it ensures optimal fit and excellent driving stability. Finished in a deep, high-gloss black, this wheel provides a luxurious and eye-catching look. It perfectly complements the sporty nature of the Porsche Macan, accentuating its dynamic lines and powerful presence on the road.

The OEM number for this wheel is 95B601025FS041, confirming its authenticity as an original Porsche part. It is classified as new, unused, and undamaged, offering you assurance in terms of quality and durability.

Suitable for both the left and right side of the vehicle and designed for mounting on the front axle, this wheel combines exclusive design with technical precision. This makes it an excellent choice for Porsche Macan owners who do not want to compromise on style and performance.
