Product description

This Porsche Taycan Exclusive Design wheel is a premium choice for enhancing the aesthetics and performance of your Porsche Taycan. Specifically designed for the rear left side of the vehicle, this wheel features dimensions of 11.5J x 21 with an offset (ET) of 66, ensuring a perfect fit and optimal handling characteristics.

Finished in a striking high-gloss black (feature code: 041), this wheel adds a touch of elegance and sophistication to your vehicle, making it stand out on the road. The wheel's robust design not only enhances the visual appeal but also contributes to the overall driving experience, providing stability and support under various driving conditions.

The OEM number for this specific wheel is 9J1601025R 041, confirming its authenticity as an original Porsche part. This is crucial for maintaining the quality and resale value of your Porsche Taycan. The wheel is used but in very good condition, with no damage, ensuring that it meets the high standards expected from Porsche components.

This 21-inch wheel is part of the Taycan Exclusive Design series, which is renowned for its exceptional quality and design tailored to complement the unique characteristics of the Porsche Taycan models. Whether you are replacing a damaged wheel or upgrading your current set, this Porsche Taycan Exclusive Design wheel is an excellent choice for maintaining the performance and luxury of your vehicle.
