Product description

This set of 21-inch winter wheels for the Porsche Panamera model 971, called "Exclusive Design Sport," combines stylish aesthetics with high functionality for the cold season. The high-gloss black rims have dimensions of 9.5 J x 21 ET71 for the front wheels and 10.5 J x 21 ET71 for the rear wheels, ensuring a perfect fit and excellent driving stability. These wheels are fitted with Pirelli Sottozero III winter tyres, which are renowned for their outstanding performance on snow and ice. The tyre sizes are 275/35 R21 at the front and 315/30 R21 at the rear, ensuring optimum grip and traction in winter conditions. The tyres, manufactured in 2023, have a tread depth of 6-7 mm, promising a long service life and safety.

The set has the OEM number 971044630S-23-67 and stands for original Porsche quality, which means a high level of fit and durability. The wheels are used but in very good condition with no damage.

This exclusive set of winter wheels is not only functional, but also a visual highlight that emphasises the sporty elegance of your Porsche Panamera model 971. Ideal for drivers who don't want to compromise on performance and style, even in winter.
