Price:	7.670,44 € (nett:6.445,75 €)

Product description

This set of 21" "SportDesign" winter wheels for the Porsche Panamera model 971 is an excellent choice for drivers who don't want to compromise on style and performance during the winter months. The combination of high-quality rims and specially developed winter tyres guarantees optimum driving characteristics even in poor weather conditions.

The rims in the set measure 9.5 J x 21 ET71 for the front axle and 10.5 J x 21 ET71 for the rear axle, ensuring a perfect fit and excellent driving stability. The platinum silk matt finish gives your vehicle an aesthetically pleasing look that is both modern and elegant.

Equipped with Pirelli Sottozero III winter tyres in sizes 275/35 R21 for the front axle and 315/30 R21 for the rear axle, these wheels offer outstanding traction and safety on snow and ice. The tyres are specially designed to deliver optimum performance at low temperatures.

In addition, the wheels are equipped with TPMS sensors that continuously monitor tyre pressure for increased driving safety. The item is new, unused and undamaged and meets the high quality standards of Porsche Genuine Parts. The OEM number for this wheel set is 971044600E OB5, which confirms its authenticity and specific fit for the Porsche Panamera model 971. This winter wheel set is not only a functional addition to your vehicle during the cold months, but also a stylish upgrade that emphasises the sporty elegance of your Porsche Panamera.
