Price:	7.500,86 € (nett:6.303,24 €)

Product description

Upgrade your Porsche Macan Electric model 95C with this set of 22" Macan Exclusive Design Winter Wheels, a perfect blend of style and performance for the colder months. This set includes two sizes of rims: front rims measuring 9J x 22 with an offset of ET29 and rear rims measuring 11J x 22 with an offset of ET47, ensuring a precise fit and balanced handling.

The wheels are equipped with high-quality Continental winter tires, sizes 255/40 R22 for the front and 295/35 R22 for the rear, designed to offer superior grip and control on icy or snowy roads. These tires are mounted on stunningly crafted rims finished in Platinsilber, adding a touch of elegance to your vehicle's appearance.

Each wheel comes with RDK sensors pre-installed for monitoring tire pressure, enhancing your safety and maintaining optimal performance. The entire set is brand new, unused, and undamaged, ensuring you receive top-quality, genuine Porsche Original parts.

The OEM number for this set is 95C044600M, confirming its authenticity and compatibility specifically with the Porsche Macan model 95C. Whether you're preparing for winter or upgrading for performance and aesthetics, this exclusive wheel set is an excellent choice for any Porsche Macan Electric owner looking to enhance their driving experience and vehicle safety during the winter season.
