<b>Price:</b>	<b>6.792,53 €</b> <b>(nett:5.708,01 €)</b>

## Product description

This set of 22" Sport Design summer wheels is specially designed for the Porsche Cayenne Coupé E3/9Y0 II facelift from 2023 onwards. The set includes high-quality rims in sizes 10J x 22 ET48 and 11,5J x 22 ET52, finished in an attractive high-gloss black. These rims are not only a visual highlight, but also technically tailored to the high demands of a sporty vehicle such as the Porsche Cayenne.

In addition, the rims are fitted with high-quality Pirelli summer tyres in sizes 285/40 R22 for the front wheels and 315/35 R22 for the rear wheels. This tyre combination offers an optimal balance between grip and driving comfort, which is particularly advantageous at higher speeds and when cornering.

The wheels are new and unused, making them an excellent choice for vehicle owners who value quality and originality. The OEM number for this wheel set is 9Y0044643P, which confirms its authenticity and specific fit for the specified model.

As original Porsche parts, these summer wheels not only guarantee a perfect fit, but also comply with the manufacturer's strict quality standards, which supports the longevity and safety of the vehicle. This wheel set is an excellent choice for any Porsche Cayenne owner who wants to optimally equip their vehicle for the summer months.
