## Product description

Enhance your Porsche Cayenne E3/9Y0 II (Facelift model from 2023 onwards, not suitable for the Cayenne Coupé) with the 22" "Exclusive Design Sport" winter wheel set, meticulously designed to elevate both the aesthetics and performance of your vehicle during the colder months. This set includes high-gloss black wheels sized at 10J x 22 ET48 and 11.5J x 22 ET61, paired with top-tier Pirelli winter tires, dimensions 285/40 R22 at the front and 315/35 R22 at the rear, ensuring optimal traction and handling in winter conditions.

The wheels boast an exclusive design that not only complements the sporty and luxurious look of your Porsche but also offers enhanced durability and performance under winter weather conditions. The use of Pirelli winter tires guarantees excellent grip and stability on snowy or icy roads, providing you with peace of mind and a safer driving experience.

This product is brand new, unused, and undamaged, reflecting its premium quality and readiness for installation. It is an original Porsche part, with OEM number 9Y0044604R, ensuring perfect compatibility and performance with your Porsche Cayenne E3/9Y0 II Facelift model.

Please note that this wheel set is specifically designed for the Porsche Cayenne E3/9Y0 II Facelift model and is not compatible with the Cayenne Coupé variant. This exclusivity ensures that the fit and aesthetics are tailored precisely for your vehicle model, enhancing both its visual appeal and its utility during winter.
