Product description

This set of 22" Sport Design Winter Wheels is specifically designed for the Porsche Cayenne Coupé E3/9Y0 II (Facelift model starting from the year 2023). The set includes high-gloss black rims measuring 10J x 22 ET48 and 11.5J x 22 ET52, perfectly complemented by premium Continental winter tires in sizes 285/40 R22 and 315/35 R22. These dimensions ensure a perfect fit and optimal performance specifically for the Porsche Cayenne Coupé model.

The OEM number for these wheels is 9Y0044633P, confirming their authenticity as original Porsche parts. This guarantees that they meet the highest standards of quality and fitment specific to your vehicle model. The wheels are brand new, unused, and undamaged, ensuring that they not only enhance the aesthetic appeal of your vehicle but also provide safety and reliability during the winter months.

The sleek black high-gloss finish adds a touch of elegance and sportiness to your Porsche, making it stand out even in adverse weather conditions. Whether navigating snowy roads or icy conditions, these wheels and tires provide the necessary traction and stability.

Investing in these Porsche original winter wheels means choosing safety, performance, and style for your Cayenne Coupé. They are an essential upgrade for any driver looking to optimize their vehicle's winter capabilities while maintaining a high level of style and performance.
