Product description

Minimalism meets elegance: the Essential collection, with its distinctive design, captures the spirit of Porsche in its most refined form. The waterproof pouch, made from recycled twill fabric, combines lightness with functionality. Its monochromatic, uniform look - accentuated by the rubberised 'Porsche' lettering and a reflective patch - is a real visual highlight. Practical features, such as zipped pockets at the front and back with distinctive metal zips, inspired by original Porsche suspension arms, as well as a spacious main compartment with slip pockets, ensure perfect organisation of the interior. The shoulder bag can be worn in various ways - across the body or around the waist - thanks to the adjustable strap.
