Product description

This high-quality repaired rear bumper is specially designed for the Bentley Continental GT and meets the high quality standards of Bentley original parts. The bumper has the part number 3W8807417AJ, which ensures a perfect fit and compatibility with the specified model.

Made from robust materials, this bumper has been carefully reconditioned to ensure it is in very good condition with no visible damage. It has been primed and is therefore ready for painting, allowing you to match it exactly to the colour of your vehicle. Despite minor signs of use or storage, the bumper is in excellent condition.

As an original Bentley part, this bumper offers a reliable alternative to aftermarket products, preserving the aesthetics and functionality of your Bentley Continental GT without compromising on quality. It is an ideal and cost-effective solution for anyone looking to replace a damaged bumper without sacrificing the luxury and performance they have come to expect from their vehicle.
