Product description

Apologies for the misunderstanding, but it seems that your enquiry concerns a catalytic converter for a Porsche 911 model 991, not a watch. However, here is a detailed description of the catalytic converter in German:

****Porsche 911 991 Catalytic Converter for Sports Exhaust System, Cylinders 4-6, Right****

****Product description:****

Experience the perfect combination of performance and efficiency with the high-quality catalytic converter for the sports exhaust system of your Porsche 911 model 991. This component, specially designed for cylinders 4 to 6 on the right-hand side, guarantees optimum exhaust gas purification and supports the performance enhancement of your vehicle.

****OEM numbers:****

- 9P1254450M
- 9P1254450A

****Make and model:****

- Suitable for Porsche 911, 991 model series

****Condition:****

- Used, but in very good condition and undamaged

****Special features:****

- Genuine Porsche parts, guaranteeing high quality and a precise fit
- Designed to meet strict emissions standards whilst enhancing sporty performance

****Advantages:****

- Increased engine performance through efficient exhaust gas purification
- Durability and reliability thanks to the use of genuine parts
- Easy installation thanks to a precise fit

This catalytic converter is the ideal choice for Porsche enthusiasts who value authenticity and performance. Boost the efficiency and performance of your Porsche 911 with this top-quality spare part.

I hope this description meets your expectations. If you need any further information, please let me know!
