Product description

This exhaust pipe for the Porsche Macan, specifically for the 95B model (built between 2014 and 2024), is an essential component of the exhaust system, which was specially designed for the 3.0 diesel version with 180 kW. The product has the OEM number 95B253487CY, guaranteeing a perfect fit and originality, as is standard for Porsche original parts. The exhaust pipe is used but in very good condition and undamaged, making it an excellent option for those who value quality and authenticity without paying the original price. Installing this original part ensures that the exhaust system functions efficiently and in accordance with the manufacturer's specifications, helping to maintain engine performance and comply with emission standards. This replacement part is ideal for owners of a Porsche Macan with the specific engine who are looking for a reliable and durable solution for their vehicle while preserving the integrity of the original design and performance of the car.
